Profile

[EN] I believe in the philosophy of "know something in every field, know everything in one field". I am actively using/learning React Native technology. I have developed projects in Java, C#, .Net, and JS languages. I am aiming for a career in the mobile application development industry.

[TR] "Her alanda bir şey bil, bir alanda her şeyi bil" felsefesine inanıyorum. Aktif olarak React Native teknolojisini kullanıyorum/öğreniyorum. Java, C#, .Net ve JS dillerinde projeler geliştirdim. Mobil uygulama Geliştirme sektöründe kariyer hedefliyorum.

Education
