Jr. Mobile Developer
https://eminsaygi.github.io

[EN] I believe in the philosophy of "Know something in every field, know everything in one field." I've developed projects in Java, C#, JS. I have a career goal in the mobile app industry.

[TR] "Her alanda bir şey bil, bir alanda her şeyi bil" felsefesine inanıyorum. Java, C# ve JS dillerinde projeler geliştirdim. Mobil uygulama sektöründe kariyer hedefliyorum.
